

Press Release – Upper Westchester Muslim Society

UWMS denounces in the strongest possible terms, the hateful events that occurred recently at the Tree-Of-Life Synagogue near Pittsburgh. We mourn the loss of innocent lives and extend our sincere condolences and support to the affected families and the entire Jewish Community. We stand in solidarity with our Jewish friends and neighbors and especially the efforts of the Tree-Of-Life and other Synagogues in support of refugees. We must not let hate win. To that end UWMS pledges a donation of \$1000 to the Hebrew Immigrant Aid Society, the organization vilified by the alleged perpetrator. This organization assists refugees of all faiths and backgrounds including Muslim refugees. May Allah grant patience and wisdom to all those affected by this tragedy.
